

Copper Colored Splotches.

There is only one cure for Contagious Blood Poison—the disease which has completely baffled the doctors. They are totally unable to cure it, and direct their efforts toward bottling the poison up in the blood and concealing it from view. S. S. S. cures the disease positively and permanently by forcing out every trace of the taint.

I was afflicted with a terrible blood disease, which was in spots at first, but afterwards spread all over my body. These spots broke out into sores, and it was very painful. I tried every remedy, but nothing would do me any good. I had spent a hundred dollars, which was nearly all I had, and I was nearly driven away. I then tried various patent medicines, but they did not reach the disease. When I had finished my last bottle of S. S. S., I was greatly improved. I was delighted with the result. The large red splotches on my chest began to grow paler and smaller, and before long disappeared entirely. I regained my lost weight, became stronger, and my appetite greatly improved. I was soon entirely well, and my skin as clear as a piece of glass. I am now a healthy man, and I can do any kind of work. I am now a healthy man, and I can do any kind of work. I am now a healthy man, and I can do any kind of work.

There was a big crowd out at Exhibition park yesterday to see Fort Wayne play its last Sunday game of the season with Youngstown. The game was one of the prettiest played in Fort Wayne this season, the work of the Fort Wayne infield being especially brilliant, while the visitors were not far behind in their fielding.

Carney and Guese were opposing twirlers and "Whitey" made the Youngstown star look like a selling phlegm in a stake race. He kept hits well scattered throughout the nine innings and only twice did the visitors have a chance to score and that was after the big twirler had made a poor throw to first base of Van Buren's little grounder. Pender was on first base and went to second on the play. "Old Bob" went to third on Latimer's force of Van Buren at second. Latimer started to steal second and Pender darted for home, but instead of throwing the ball to Flood, Bergen sent it to Habb, who tossed it back and Pender was out at the plate by ten feet. In the sixth the visitors had three men on bases, but were relieved on Latimer's easy liner to Hollingsworth.

Glasscock made the first run of the game in the second inning when he hit the ball over the left field fence. In the fourth two more runs were scored. Glasscock singled and was thrown out at the plate on an attempt to score on Babb's double. Hollingsworth singled and a moment later he and Babb scored on Carney's wild throw to first in an attempt to catch Hollingsworth napping. The last run of the game was scored in the fifth. After Guese struck out Flood walked. Belden fied out to Van Buren. Carney sent a fast one over the plate in an endeavor to catch Letcher napping and the big fellow hit it for a single. Flood and Letcher then worked a double steal and Tim scored a little later on Carney's wild pitch. Glasscock was the only batter to make a hit off Carney in the last four innings. Score:

SHAMROCKS BEATEN.

The Shamrocks were beaten yesterday at Walker, Ohio, by the Findlay Rough Riders in one of the best played games of the season. The score was 3 to 0. Quinn and Kaufman were opposing twirlers and both pitched fine ball. Cherry, McFarby and Baldy made Fort Wayne's three hits. Score: Findlay, 3; Shamrocks, 0. Base hits—Shamrocks, 3; Findlay, 4. Errors—Shamrocks, 3.

NOTES OF THE GAME.

No game today. Youngstown again tomorrow. The Shamrocks will play another game with the Findlays in two weeks. The Fort Wayne league team is playing at Findlay today. Sample will twirl for Fort Wayne and Glass-

cock is trying a new man in right field. He is said to be a second La Jole.

New Castle will play a double-header at Exhibition park next Wednesday.

The Shamrocks will play another game in Richmond on August 6th. The Shamrocks are great favorites there.

Manager Clenry is in receipt of a letter from Payne, Ohio, asking the Shamrocks to play the Nebraska Indians in the Ohio town.

Cliff Latimer says he will not go to Cincinnati on a thirty days' trial. He will stay with Youngstown unless signed outright by Ewing.

"Chic" Stahl still ranks way up in batting. His average is .377 and he had made 108 hits, only four batters leading him in the number of hits. He has made twelve two-baggers, twelve three-baggers and two home runs and ranks eighth as a long hitter. He has not been in the game for two days.

A TOOTHISOME NOVELTY.

The food expert who invented Grape-Nuts, the pre-digested food, struck a public fancy. This novelty has had a surprisingly rapid sale. Many people do not eat grains for breakfast because they are too often poorly prepared, but Grape-Nuts, being thoroughly cooked and ready for the table and with a crisp, charming flavor, appeals to the good judgment and taste of all particular people.

In our practice we are called upon to make plates of every sort of good material at prices that vary according to the quality of the work. We make at our price, are the same skilled effort and the benefits of the same thorough skill, experience and mechanical ability to make it perfect in this most important feature—comfortable, pleasing, natural fit.

In statesmanlike capacity to keep his fellow-citizens in hot water from Haze Pingree is about the greatest that has drilled down the pike for some time.

As a man who has held with too much tenacity to his job at the puppet of a balloon Alger seems to realize that there isn't much to do but hang on and trust to luck for a safe alighting.

As a mild preventative measure that the Nicholson law may not impermanently into a state of impotent desuetude in this city Mayor Scherer might try his hand at enforcing its provisions. It would be rather an astonishing revival, but it would be a novel experience for the mayor and almost so for those whom it would affect.

Secretary of War Alger has not improved himself in the esteem of the country by his contemptible treatment of General Miles, the major general commanding the army. The absence for a day or two from Washington of the secretary and assistant secretary of war made General Miles, under an order made by the president a year ago, the acting secretary. So implacable is Alger's dislike of the commanding general that he purposed his humiliation by so disposing of official matters that General Miles as acting secretary was studiously and conspicuously ignored. There is no usage that requires Alger to like Miles or even to seem to like him; but common decency and the dignity of his place should forbid the contemptible display of worse than low dislike and childish petulance of which the secretary of war has been guilty. A cabinet officer ought to measure up to something approaching the size of his position.

MAY BECOME GROTESQUE.

Unless there can be brought about a concert of the several movements

which are now either under way or in prospect to confer on Gen. Henry W. Lawton gifts testimonial of the high regard the people of Indiana have for him and the pride they feel in his splendid military achievements, the entire purpose, so worthy at bottom, may become grotesque.

Already several funds are being accumulated and other similar funds are talked of. To present General Lawton with several swords would be ridiculous. There should be but one testimonial gift and that should represent the people of the whole state. Back of the several movements is the right spirit—the desire to honor a brave man, the hero of three wars and an unbroken term of almost forty years of service in the army of the United States. These several movements ought to be united. That would insure a testimonial of the right dignity and character and bring a public expression that would do honor to the state and be most gratifying to the hero whom it is purposed to honor.

We believe the movement initiated by Elton S. Bass post, G. A. R., of this city, promises to become by far the most popular because it has interested the other more than 500 posts in the state. General Lawton not only entered the military service from Fort Wayne and has many old comrades here, but he is a member of Elton S. Bass post. There surely would be added gratification to him in a testimonial in which this post had taken the initiative. There is no desire on the part of the post nor of the people of Fort Wayne to seek unusual or exclusive credit in the Lawton memorial project. It is only desired that the affair shall be carried out in the most popular way to the most successful possible issue. We repeat that there should be a concert of these several movements.

DEATHS AND FUNERALS.

URBINE.

Mrs. Catherine Urbine, of Washington township, died at her home Saturday night at the advanced age of eighty-five years. Her death was due to the infirmities of age. Mrs. Urbine was one of the oldest residents of Washington township, and the widow of the late Joseph Urbine, who during his life was one of the best known of Allen county farmers. She was born in Ireland and in early girlhood came to America with her parents, who were among the pioneers of Allen county. Mrs. Urbine was a devout member of the Catholic church, and her life was an exemplary one. The funeral services will be held Tuesday morning from St. Vincent's church, at Academic.

FELTS.

Clifford Felts, the little son of Herman Felts, superintendent of the county poor farm, died from lockjaw at 1:30 o'clock Sunday morning. The lad's critical condition was noted in The Sentinel Saturday. His age was twelve years. The funeral services will occur Tuesday from the residence at the county farm. Interment at Lindenwood.

TODD.

Mrs. Sarah E. Todd died Saturday at the home of her daughter, Mrs. E. J. Miller, at New Haven, at the advanced age of seventy-seven years. Death was due to bronchitis and asthma. Several children survive her. Miss Bertha Todd, of this city, is a daughter.

SEELY.

Anna, the four-year-old daughter of Mr. and Mrs. A. J. Seely, of 72 West Williams street, died at 9 o'clock this morning from whooping cough. The funeral will take place from the residence at 2 o'clock Wednesday afternoon, interment in Lindenwood cemetery.

LOST A THUMB.

William Kerr, a lad twelve years of age, who is visiting his uncle, Geo. Abdon, on Wagner street, lost his right thumb while cleaning a bicycle Saturday. The thumb was caught between the chain and sprocket wheel and completely amputated. Dr. Lomas dressed the injury. Kerr's father lives at Lafayette.

LAST OF THE ROYAL LINE.

GRANDDAUGHTER OF LITTLE TURTLE IS LIVING.

She Resides Near Roanoke and is About to Lose Her Farm and Home.

The following communication to the Huntington Herald is of more than ordinary interest:

"Few persons, even in this vicinity, are aware that a direct descendant of one of the most noted Indian chiefs on the American continent was born, raised, and is still living at an advanced age in this county. "Kil-so-quah," in Miami, or 'The Never-Setting-Sun,' in modern English, who resides a short distance south of Roanoke, is a granddaughter of the famous Me-che-ke-nah-quah, or Little Turtle, a warrior and statesman who won the respect and was honored by no less a personage than the Father of His Country, George Washington, receiving the great chief as the guest of the nation, and presenting him with a costly sword in token of distinguished services rendered the government in the interest of peace between the whites and his own people.

"Kil-so-quah, now a widow, is a daughter of Wak-shin-gah, a son of Little Turtle. The latter was awarded a reserve south of Little river, east of the city, and resided for a time not far from where the Fort Wayne road crossed the canal on the Lewis farm.

"Probably no one living has been afforded better opportunities for witnessing the changes wrought in the transposition from savagery to civilization, all within the memory of this princess of royal blood of the red man, changes that had come suddenly would have wrecked the strongest minds among mankind in utter bewilderment. Quietly and unobtrusively this daughter of the forest has lived through it all, changing her ways as little as possible, never for a moment losing faith in the simple traditions and religious rites of her people, setting an example that others with greater opportunities might well profit from.

"The reflection is not a creditable one for us to know that this granddaughter of a man whose simple word was law over thousands of square miles of territory, and who was by right of occupation entitled to as many square miles of the same as he might choose to select, is, under cover of law, about to be deprived of the last acre of her homestead to meet assessments entitled 'a benefit'—a travesty on justice."

THE MARKETS.

CHICAGO GRAIN MARKET.

Chicago, July 17.—Wheat opened weak today at a decline of 3/8c for September, which started at 72 3/8c.

Continued heavy receipts and a decline of 1d at Liverpool were the chief influences at the start. The bears were stimulated to aggressive tactics by the visible increase and before 11 o'clock September touched 71 1/2c, where buying against puts checked the decline. Considerable long wheat came out during the morning on "stop loss" orders.

Minneapolis and Duluth received 756 cars compared with 599 a week ago and 44 last year.

Chicago received 109 cars, 3 of contract grade.

Corn ruled weak with wheat, and on reports of favorable weather. Local receipts were 513 cars. September opened a shade lower at 33 3/8c and sold off to 33 1/4c.

Oats ruled dull and easy in sympathy with other grains. September opened unchanged at 20 1/2c and declined to 20 1/4c.

Provisions had a slight upturn at the start, due to an advance of 5@10c in hogs. Liquidation on the bulge soon clipped off the gains, however.

September pork opened about 12 1/2c higher at \$9.15@9.25 and declined to \$9.12 1/2c.

September lard opened 7 1/2c higher at \$5.45 and declined to \$5.40.

September ribs opened 10c higher at \$5.22 1/2c and declined to \$5.15.

THE CLOSE.

Prices at the close were as follows: Wheat—July, 70 3/8c; Sept., 71 3/8c; 71 1/2c; Dec., 73 1/4c; May, 75 3/8c; Corn—July, 33@33 1/4c; Sept., 33c; Dec., 31 1/2c; May, 33 1/4c@33 1/2c; Oats—July, 24 1/4c; Sept., 20 1/2c; Dec., 20c; May, 22 1/2c; Pork—July, \$9.05; Sept., \$9.15; Oct., \$9.15; Lard—July, \$5.40; Sept., \$5.47 1/2c; Oct., \$5.52 1/2c; Ribs—July, \$5.12 1/2c; Sept., \$5.17 1/2c; @5.20; Oct., \$5.22 1/2c; Flax—Cash N. W., \$1.03 1/4c; Cash S. W., 99 1/2c; July, 98c; Sept., 96c; Oct., 95 1/2c.

CHICAGO LIVE STOCK.

Chicago, July 17.—Estimated receipts of hogs today, 45,000; tomorrow, 28,000; left over, 1,310. Market strong to shade higher. Mixed ad butchers, \$4.15@4.35; good heavy, \$4.30@4.40; rough heavy, \$4.15@4.25; light, \$4.20@4.35.

Cattle—Receipts, 18,000; market steady. Beefsteaks, \$4.50@5.80; cows and heifers, \$1.75@5.00; Texas steers, \$3.75@5.00; stockers and feeders, \$3.50@4.80.

THE DAY ON WALL STREET.

New York, July 17.—The stock market opened low in sympathy with the break in local transit stocks on the Brooklyn Transit strike. Brooklyn Transit opened down 7 1/2c, but quickly rallied with powerful supporting orders. Metropolitan was off 3c and Manhattan 1 1/2c, the latter recovering a point almost immediately. Losses elsewhere did not exceed a half, but were general throughout the list.

A vigorous support in the local traction stocks, which rallied a point, including Transit, and the general market, the Grangers and Westerns recovered to above Saturday's price. St. Louis Southwestern rising a point 1/2c. Anaconda rallied strongly to 12c above Saturday and Tin Plate rose a point. A drop of over a point in Sugar and renewed pressure against Brooklyn Transit depressed the whole market again.

Renewed support in Brooklyn Transit failed to sustain the market. That stock broke below 11c. Sugar fell nearly 2 points and many Industrials lost a point or upwards.

New York Air Brakes dropped an extreme 12 points. The railroads, with few exceptions, shared in the weakness, the declines reaching 1 1/2c in Burlington, New York Central and Atchafson preferred.

Covering by shorts stended the market.

Sales to noon, 200,621 shares.

Bonds were dull and easy.

The market drifted sluggishly and irregularly during the final hour, and slowly hardened in the late dealings. The closing was dull but very firm at small net losses.

THE - RURODE - DRY - GOODS - COMPANY.

KILLED BY CARS.SWITCHMAN J. N. GRIEB THE
VICTIM.

THE SPINAL COLUMN BROKEN.

AND LEFT LEG STRIPPED OF ITS
FLESH.

AN OLD AND VALUED EMPLOYEE

WORKED QUARTER OF A CEN-
TURY FOR COMPANY.

John M. Grieb received injuries Sunday morning, at 3:15 o'clock, which resulted in his death several hours later. He was yard conductor, in charge of Pittsburg engine 199, and met with the accident on the track north of the Hanna street transfer house, a few feet from that thoroughfare. The accident is somewhat of a mystery, nobody witnessing it, though the regular engine crew was in the cab and the yard conductor's assistants, A. Hicks and F. Overmeyer, were on the rear steps. Mr. Grieb had climbed upon the front steps to couple the engine upon an Iron Mountain car, which was standing a car-length from Hanna street, upon the transfer track. The engineer was going slowly forward and when the connection was made there was scarcely a jar. Mr. Grieb was heard to call out in responding brakeman Hicks found him seated by the side of the track, holding his left leg, from which the blood was spurting in streams. The injured man said that he slipped as he went to make the coupling and his leg was caught between the drawbar heads. He was taken to the depot, becoming unconscious en route, and Drs. C. B. and G. C. Stemen were soon there to care for him. They found that the drawbar had caught the limb in such a manner as to completely strip it of flesh from below the knee to the ankle. They also found that Mr. Grieb had sustained spinal injury, which proved to be more serious than the injury to the limb. How this occurred is a mystery. The column was fractured near the shoulder and it was this fracture that produced death. The surgeons had the unfortunate conductor taken to St. Joseph hospital, where everything that skill

could suggest was done for him, but to no effect. He died at 11 o'clock Sunday morning.

In the absence of Coroner W. W. Barnett, his deputy, Dr. Charles Barnett, held a post mortem at Peltier's morgue, where the body had been taken. His verdict will be in accordance with the facts mentioned in the foregoing lines.

Mr. Grieb was forty-two years old, married and had one child, Anna Mary, aged twelve years. The family reside on the Illinois road, a short distance from Lindenwood cemetery. Besides the widow and daughter, the deceased leaves a father, John Grieb, sr., of 183 East Lewis street; a brother, Andrew Grieb, and two sisters, Mrs. John M. Basteus and Mrs. Daniel R. Beunlinghoff, all of this city.

The dead man was a native of New York, coming to this city with his parents when he was ten years old. He began service with the Pennsylvania company when he was a lad of twelve or fifteen years of age and served ten years in various capacities. Then he went west and was engaged in railroad work for seven years, when he returned here and took the position which was ended in the manner told in the foregoing. Mr. Grieb suffered an injury to his right leg two or three years ago, which slightly crippled him. He was not a member of any of the benevolent or insurance orders, so far as known, not even belonging to the Pennsylvania Voluntary Relief association.

The funeral will take place at 9 o'clock tomorrow morning from St. Mary's Catholic church.

THE NINETEENTH REGIMENT.

The Nineteenth regiment will reach Fort Wayne between 2 and 4 o'clock tomorrow morning. It left Camp Meade this morning, the first train at 8 o'clock and the others in regular order with intervals of fifteen minutes. There are five trains, the first being box cars and carrying the camp equipment and the others consisting of a baggage car, a standard sleeper and also tourists' cars each. They are due at San Francisco Friday night.

GOOD EXCURSION BUSINESS.

All the Fort Wayne lines engaged in the Sunday excursion business had a big trade yesterday. In outgoing business the Grand Rapids and Indiana lead, taking 227 of our people to Rome City. The Pennsylvania took 125 and the Nickel Plate seventy-five to Chicago and the Wa-

bash took 170 to Toledo and twenty-one to Put-in-Bay. Incoming excursion parties were much larger. The Lake Erie and Western brought in over 1,500 people, the Lake Shore about 800 and the Findlay about 300. The Lake Erie had three trains and all of them were crowded. These excursion parties were attracted here by Robison park, where there was a specially attractive program arranged for their amusement. Every one of the excursionists seemed to be well pleased with their reception and no doubt went home fully determined to come again the very first opportunity.

SHOPMEN'S RACE.

Tonight will decide a much disputed question at the Pittsburg shop, viz., the champion scorcher. The claims for the honor have narrowed down to two, the contestants being Deunsky, of the machine shop, and Houshaver, of the copper shop, both wheelmen of considerable note. Tonight, at 7 o'clock, they will leave the Masonic Temple for New Haven and the first one to reach the town pump in the latter place will be entitled to the championship belt and will receive a handsome purse, made up by the wheelmen at the shops. Black and Cramer will pace the riders on a tandem. This race is attracting considerable attention outside of shop circles and there will probably be several hundred people at the starting point and pos-

sibly as many more to witness the finish. Messrs. Petgen and Cleary will also settle a dispute as to who is the best rider, their race course also being the New Haven road and the starting point the Temple fifteen minutes after the other party leaves. The loser of this race will be compelled to pay for a banquet to follow the race. Cleary gives Petgen a five-minute handicap.

NORTHERN INDIANA NOTES.

Mrs. A. B. Park, one of the most widely known and highly esteemed women of Kendallville, fell dead of heart disease. She was buried Sunday.

Hiram N. Flower, of Butler, a pioneer, eighty-four years old, died very suddenly. He was a near relative of the late ex-Governor Roswell P. Flower, of New York.

Rev. Mr. Ward, of Hammond, was ordained to the priesthood of the Episcopal church at Trinity cathedral, at Michigan City, Sunday. The newly ordained priest will be assigned pastoral work in the diocese of Michigan City.

John Breeding, of Warsaw, came near losing his life from the effects of a fly sting on the hand. The fly was of a new species and its bite is very poisonous. A telegraph romance attributed Breeding's affliction to the mythical kissing bug.

Suit has been brought on behalf of Mrs. William Lane and her children against the sheriff of Kosciusko county for \$30,000, growing out of the forcible dispossession of the plaintiffs on foreclosure of mortgage and their arrest for resisting service of the process.

The right of way for the electric railway has been secured from Angola to Goshen. The promoters of the road have made formal announcement that the work of construction will be begun not later than August 1. There is a growing belief that the line will be built in the spring.

The western district conference of the synod of Indiana and Ohio Lutheran churches, which has been in session at Goshen, went on record as opposed to the holding of church fairs and all lottery schemes for the making of money for the benefit of churches. The clergymen attending the conference are pledged to place a ban on such forms of entertainment.

The record for quick courtship and marriage has been established in Noble county. Henry Wolf, a wealthy LaGrange county farmer, wanted a wife. A friend of his knew Mrs. Sarah E.
